

North Pennines Smallholders

The North Pennines Smallholders (NPS) originated as part of the North Pennines AONB Partnerships' "Nectarworks" project following a series of events at the end of 2013. The aim is to establish a network across the region that will provide benefits for members, their land/livestock and also the wildlife within it. The NPS hopes to act as a network providing a forum for discussion, a source of mutual help and advice, training opportunities and the chance to meet like-minded people.
